Gosford

The Gosford Electric suite boasts an inviting design with timeless modern style. Engineered for comfort, with powered recline mechanism allows you to put your feet up while you relax with a book or settle in front of the TV. This collection is available in Electric Recliner, 2 seater, 3 seater and 2 Seater with Chaise with manual front arm cup holders in a variety of Antelope Suede fabrics. Constructed using a steel frame and plywood with pocket coil springs with base support for the seat, polyfiber back and RMT Mechanism, motor and buttons. Comfort with modern luxury, what more could you want from a lounge.
